Fuel Up To Play School... Grant \$ 800.00

Mary explained the grant opportunity with National Dairy Council's Fuel Up to Play. Schools may register for the Free kit at <http://www.schoolwellnesskit.org/futp/index.asp> Each zone is able to offer one grant for \$800 to a school to implement the program. Zone 8 identified Marysville MS as a possible target.

Next Steps: Follow up with Terri Heard with Marysville Schools. Mary Chace is the contact person for the grant.

Mary is also working with Game ON! as part of the National AFHK initiative to improve nutrition and PA in schools. This program is available on-line free of charge from National's web site... For more information on the Game ON program go to <http://www.actionforhealthykids.org/school-programs/our-programs/game-on/>

Mini Grants: Budget \$ 3,500.00

Mary suggested that SMART objectives be used as part of the mini-grant. Mary provided an explanation and examples for the grant.

Next Steps: The grant was updated to include SMART objectives. Also added are programs-- Snackwise® and Game On that schools may choose to implement as part of the grant.

Grant will be **emailed** to health departments, ESC, PTA, and Central Ohio Nurses for distribution the first week of November. Grants must be submitted to Zone 8 AFHK by December 1st for consideration.

A review team will meet **Friday, December 4th** to score and approve grants.

Mary Chace and Connie Codispoti have volunteered to review grants. If you are interested in reviewing please contact Jan.

Parent Workshops: Budget \$800.00 , January 2010

Connect with Your Kids: Cook, Play and Learn Together". Main objective: Provide parents with simple steps to improve nutrition and physical activity at home and school. Committee discussed possible locations for event
