Message from the Superintendent

As the long days of summer begin to grow shorter, we realize that it will soon be time for the first day of school. This year, the first day of school is scheduled for Monday, August 28th. For students, the first day of school is always an exciting time of the year. The beginning of a new school year is always filled with opportunities for our students to excel regardless of whether it is in academics, athletics or in the arts. The staff, the administration and the Board of Education is dedicated to providing an excellent education for all students enrolled in the Crestview Local School District.

As we begin this new school year, I would encourage parents and community members to become a partner in assuring the continued excellence of our schools. The Crestview School District offers many excellent opportunities for our community to contribute to the success of our schools. These opportunities include PTO, Music Boosters, Athletic Boosters, and Parent Advisory Committees. Each of our schools also welcome volunteers to mentor students, to chaperone field trips, to assist in special programs and to assist teachers in the classroom. If you are interested in volunteering in one of our buildings, or if you would like to mentor, please contact the building principal.

I would also encourage parents to stay informed of the many activities in our schools. The district calendar provides dates and times for many of the activities and sporting events that are already scheduled for this school year. I would also encourage you to frequently visit the district website at www.crestviewlocal.k12.oh.us. In addition to updates on activities, a wealth of information about our schools can be found on the website. The **Education Connection** is another way that parents can remain current with student's homework assignments and school activities. During inclement weather the **Education Connection** will also contain information about school cancellations or schedule adjustments. The telephone number for the **Education Connection** is (330) 482-5618. Finally I would encourage all parents to attend our school open houses in September. This year all three buildings will have their open house on September 6th. The high school/middle school will be from 6:00 to 7:00 p.m. and the elementary school will be from 7:00 to 8:00 p.m.

The Crestview Board of Education is dedicated to continue providing "**Excellence**" in all aspects of our children's education. The Board understands that to accomplish this goal, we must forge a strong partnership with our community. It is our goal to provide parents and community with timely information about our schools and programs. The Board of Education welcomes comments on our programs and activities. The Board of Education meets the second Wednesday of each month at 7:00 p.m. and the public is invited to attend.

As we begin another school year, I invite you to become involved in our schools and help us to maintain an excellent educational foundation for all of our students. Help us keep Crestview Local Schools *the heart of our community!*

Transported Students

Supply Lists for the Beginning of the Year

As you begin to prepare for the upcoming school year, you will find our student supply list at the Boardman Staples and the Salem and Chippewa WalMarts. If you cannot find it, simply go to the front desk and ask the clerk for Crestview Middle School's list. If you plan on shopping anywhere else, you may pick up a supply list outside of the Middle School office.

5th Grade Band

5th grade students who will be interested in becoming band members will have a meeting on September 18th in the auditorium at 6:00 P.M. There will be many instruments for the students to try and either purchase or rent.

Fall Fundraiser

This year, we will be using the same fund raising program as last year. There will be a large assortment of snacks, items and candies available for purchase. It will start on September 6th and run through September 20th. We hope that will enjoy this program and continue to support our school and students.

MS Volunteers – Help Wanted!

Can you give the middle school a few minutes of your time? We would truly appreciate having you come into the building to help all of our students. Many different tasks will be available for you to choose from, such as; tutors, clerical work, library helpers, and much more. Please call the school at 482-4648 to show your support of our fine school district.

Any students that are transported after school other than by bus **MUST** have a note on file in the office **AND** be **SIGNED OUT IN THE OFFICE AFTER SCHOOL** each day.

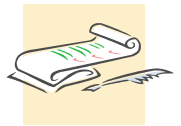

1. You must have a **standing note on file for all year or specific days** that the student will be transported; they may sign themselves out with written permission.
2. If a high school brother or sister is to take a middle school child home, then a note signed by a parent/guardian must be presented to the office in the morning.

Other than the bus, no students are permitted to ride home without written permission.

Class Homeroom and Bus Lists

Student homeroom lists and bus lists will be posted on Friday, August 25th at 3:00 P.M. They will be posted on the main entrance doors (near the office) for all middle school students. The elementary school lists will be posted at the same time on the main entrance doors at the elementary school.

Interim Reports

All middle school students will receive Interim Reports this year for all of their subjects and will be carrying them home on the following dates: **October 6, December 15, February 23, and April 27**. Please mark these dates on your calendar at home and be expecting your children to bring home their reports.

Elementary School News

Title I Parent Meeting

There will be an informational meeting on September 6, from 6:00 – 6:30 PM about the Title I program at the Elementary School. This meeting is prior to the Open House, so parents who come to this meeting will be able to attend both functions.

Welcome Back to School!

The staff at Crestview Elementary welcomes all of our students and their families back to school. We hope that your summer was restful and that you are ready to come back to school. We are looking forward to a wonderful year filled with learning and fun. We want all of our students to reach their fullest potential academically and socially. We are here to help all of our students to succeed.

P.T.O. Membership Drive

All parents should consider joining Crestview P.T.O. (Parent-Teacher Organization). Information regarding membership will be available at the beginning of the school year. P.T.O. sponsors various activities and fundraisers throughout the school year, and they need your help to continue their success.

Elementary School Night

Elementary students will be admitted free at the football game on September 22, 2006. Students in grades K-4 are admitted free of charge.

HOSTS Program Needs Volunteers

HOSTS (Help One Student to Succeed) is a Title I reading program for students in grades kindergarten – fourth grade that need additional practice in reading, writing, speaking and thinking. The student is paired with a trained mentor who follows a structured lesson plan developed by HOSTS teachers. The goal of the HOSTS program is to help the student to be more successful in the regular classroom. In the past, students who participated in the program saw improvement in their schoolwork and in their test scores.

This year is the seventh year for the HOSTS program. We are always looking for volunteers to act as mentors with our students. All it takes is one hour per week to help a student. If you are a parent, grandparent, aunt, uncle or retired person, consider helping our students by joining the HOSTS program. Please call Nancy Tompkins at 482-1912 or the elementary office at 482-5370 for more information.

Parents Can Help Get Students Ready to Learn

Parents can help make it a successful school year by ensuring that students are ready to learn each day:

- ❖ Set routines for your child. Children thrive in environments that are consistent. They like to know what is coming next. This stability gives them confidence. Also, make sure children are getting enough rest each night.
- ❖ Let your son/daughter know that you think that school is important. Look over the papers that they bring home daily with your child.
- ❖ Encourage your child to read or look at books each day. Talk to your children about what they are reading.

Picture Day

School pictures for all students at the Elementary will be on Friday, September 15. More information will be sent home in early September.

New Bully Prevention Program at CES

This school year, Crestview Elementary School has been selected to participate in a school-wide Bully Prevention Program. The Cash Coalition and the Family and Children First Council of Columbiana County sponsor this program. All staff members have been trained in Bully Prevention Techniques. The goal of the program is to minimize incidents of bullying at school and to increase student awareness about bullying. The program will include school-wide elements, classroom elements and individual interventions with students. More information about this program will be coming home with students.

MILK IS SERVED WITH ALL MEALS

Nutrition and Cost Comparison Fast Food Restaurants -vs- Crestview School Lunch

With an increase in emphasis on obesity nationwide, it is appropriate that we compare the nutritional value and cost of a school lunch to a comparable meal at our local fast food restaurants. We chose to compare the nutrition and price of a cheeseburger, french fries, fruit and milk. Below you can see for yourself our nutrition is within or better than the range of the major fast food restaurants. The price comparison is where you can appreciate the price you are charged at our cafeteria compared to the fast food restaurants. **A Crestview lunch is the best value.**

We will continue to strive to provide the best quality for the value of your dollar for our food program. We hope this will help you with your decision on allowing your children to have breakfast and lunch with us while they are at school. We enjoy serving and seeing your children every day.

District News

Parental Transportation

If your son/daughter is attending a non-public school for the 2006-2007 school year, please notify Mrs. Judy Fieldhouse at 482-5526 as soon as possible.

Important Notice Regarding NSF Charges

Our bank has notified us that Crestview Local Schools will be charged thirty-two dollars (\$32) for any deposits of checks that are returned for insufficient funds. This charge will be the responsibility of the individual responsible for writing the check. Therefore, anyone who passes an insufficient fund check to the district will not only be responsible for reimbursing the district for the amount of the check but will also be charged \$32 to cover bank charges.

Play and Learn Pre-School

There are still openings for four year olds only at Play and Learn Pre-school. Please call Sally Guy at (330) 457-7182 for more information.

Crestview Soccer Club

The Crestview Soccer Club is accepting registrations for the Fall 2006 season. Players must be ages 8-14 as of August 1st. Any interested individuals should call (330) 482-9679. We are planning a great season of lots of games, new fields, and learning new skills. Come join the fun!

Open Enrollment

Open enrollment applications are still being accepted for the 2006-2007 school year. You must apply each year for open enrollment. If you have not already applied for open enrollment for the 2006-2007 school year, please call Judy Fieldhouse at (330) 482-5526 for an application.

Search for Children with Disabilities

Ohio school districts continue to attempt to identify, locate, and evaluate all children birth through 21 years of age who may have a disability. Disability means such conditions as hearing impairment, speech or language impairment, visual impairment, specific learning disabilities, emotionally disturbed, multiple disabilities, mental retardation, physical impairment, autism, other health impairment and traumatic brain injury that may require a need for special education and related services.

Under federal and state mandates, public schools provide a free and appropriate education to children regardless of their disability. However, before these children are provided services, they must be located and identified. Many of these children are not visible because they do not function in the community's mainstream and many unidentified students with disabilities are preschoolers. Parents may not realize these programs and services are available through their school district or from agencies in their community. Please contact Daniel Hill, Supervisor of Special Education, at (330) 482-5526 ext. 132 regarding any questions or notification of students who may benefit from these services.

Directory Information

The Crestview Local Schools consider the following items to be directory information regarding students attending the Crestview Local Schools: the pupil's name, address, telephone number, date and place of birth, photograph, major field of study, participation in officially recognized activities and sports, height and weight, dates of attendance, date of graduation, and awards. This information may be released upon request unless the information is for profit making purposes. Parents may refuse to allow the district to disclose any or all of this information by sending a written notice to the appropriate school principal within ten days of this notice.

New Staff Members

The Crestview Local School District is pleased to welcome two new staff members for the 2006-2007 school year.

Dan Hill will be assuming the duties of Special Education Supervisor. Dan and his wife Lynn, Crestview Elementary Teacher, reside at 5574

Woodville Rd. Leetonia, Ohio. The Hill's have three children attending Crestview, Corey, grade 10, Carter, grade 8 and Caleb, grade 1. Dan was previously a special education teacher in the East Palestine School District. Dan will be replacing Denise Malkovits who will be returning to Crestview as a special education classroom instructor.

Michael Fay will be the new high school instrumental music and band instructor. Michael is a veteran teacher having taught the past ten (10) years in Arizona.

Michael and his wife Holly have two children, Jacob age 4, and Aidan, age 1.

Please welcome these two new staff members to the Crestview Community!

Open House

**District Wide Open House
September 6, 2006**

Open House for the entire district is scheduled for September 6, 2006. The high school and middle school open house begins at 6:00 P.M. The elementary school open house begins at 7:00 P.M. We sincerely hope you will attend and meet your child's teachers and view our wonderful facilities. Parents of 5th graders will also have the opportunity to hear about their child's Quest Program from 7:00 until 7:30 P.M. taught by Mrs. Hall.

RS-1000 Car Monitors

The RS-1000 car monitors are still available to any student driver at Crestview High School. These monitors are offered free of charge through funds made available from the Governor's Highway Safety Office (GHSO). Any parent wishing to register for a car monitor for their child please call Janet Muntean or Cindy Schmidt, Safe Driver Co-coordinators at (330) 482-5526 or (330) 482-4744.

Board of Education appoints Student Representative

At the June Board Meeting, the Crestview Board of Education appointed Brianne Paumier to serve as the Student Liason to the Board of Education. Brianne is the daughter of Perry & Lori Kimmel and will be a senior this school year. Brianne believes that as a representative to the Board of Education, she will be able to give a student's perspective on how to improve our school, and to make it an even better learning place. Brianne also said, "The fact that our School Board values the students' opinions enough to place a student on the Board really shows how much our school district cares about the welfare and ideas of the students." Brianne will be the first student appointed to serve on the Crestview Board of Education. Although she will not participate in voting on issues, Brianne will have a voice on all issues and will also be appointed to serve on Board committees. Brianne will be given her oath of office at the August Board of Education meeting and will serve a one-year term.

WELCOME BACK !!!
